

This programme is for you if you:

- are an independent coach
- work as a coach in an organisation
- are a manager with coaching responsibilities
- want to become a coach

Why Choose Training Attention?

We have more than 10 years experience of delivering coaching skills training.

Our unique coaching tools have been proven in diverse fields.

All our trainers are experts in their own fields and have all gained the ILM Level 5 Certificate with us, so understand the course from your perspective.

ilm Qualification in Coaching and Mentoring at Work

Inspiring Capability in You, Your Colleagues and Your Clients

A comprehensive training with extensive in-the-moment feedback, peer coaching and workbased practice.

You will gain:

- The knowledge and skills you need to perform as an effective coach and mentor
- Coaching tools based on the Clean Language of David Grove and other leading-edge methodologies
- The motivation and support you need to achieve a nationally recognised qualification
- Coaching for your own personal and professional development

Fantastic structure and content. This course has helped me to facilitate highly effective coaching sessions. Martine Scannell
